Date: Apr 6, 2011
Company: White Tiger Mining (WTC)
Buy/Sell: Buy
Price: 0.50
Industry: mining
Shares OS: 10.8 million
Reason: Waiting for further drilling results. If good could be a multi-bagger, if bad back to \$0.30. High-risk, high-reward.

Date: Mar 15, 2011
Company: Crosshair Exploration (CXX)
Buy/Sell: Buy
Price: 0.95
Industry: mining
Shares OS: 47.2 million
Reason: Uranium company is getting pounded after the Japan nuclear concerns. Was over \$2 last week. Hopefully buying at peak of panic before recovery sets in.

Date: Feb 23, 2011
Company: Saturn Minerals (SMI)
Buy/Sell: Buy
Price: 0.21
Industry: mining
Shares OS: 55.8 million
Reason: Coal, coal, coal... Seems to be an industry that is attracting a lot of attention. This company is getting its footing down and has the blessings of the First Nations. Should be lots of news flow over the next year. High risk, high reward.

Date: Feb 10, 22, 2011

Company: Diamcor Mining (DMI)

Buy/Sell: Buy

Price: 0.28

Industry: diamond mining

Shares OS: 25.6 million

Reason: Stock traded up into the \$0.40's last week and has since fallen back to \$0.30. Trying to bottom fish at \$0.28. Should finally start mining diamonds later in 2011. Stock requires patience.

Date: Feb 16-17, 2011

Company: BlueRush Media (BTV)

Buy/Sell: Buy

Price: 0.12

Industry: media

Shares OS: 32.3 million

Reason: Stock has been trading up on improved financial results. Trying to buy some on weakness before it gets away.

Date: Feb 2, 2011

Company: ILI Technologies (ILI)

Buy/Sell: Buy

Price: 0.165

Industry: oil and gas service

Shares OS: 35.5 million

Reason: Call me crazy but this company finally seems to be pulling it together. The last two quarters have been much improved and good balance sheet strength.

Date: Jan 17-18, 2011

Company: Cobra Venture (CBV)

Buy/Sell: Buy

Price: 0.25

Industry: oil and gas

Shares OS: 17 million

Reason: Outstanding earnings. Huge cash position with upside through investment in Zodiac. Will benefit from increasing price of oil.
