Company: Mart Resources (MMT)

Buy/Sell: Buy

Price: 0.59

Industry: oil and gas

Shares OS: 336 million

Reason: They have been in a trading range for a while and with good cash flow - maybe good time to buy.....or maybe I'll just lose all my money and feel like a loser for the remainder of the contest. I'm not sure which it will be but I'm confident in the former.
