## Reliable Information on Canadian Small-Cap Stocks

QIS Capital Corp. provides effective shareholder and investor communication with an emphasis on quality, fundamental, small-cap Canadian companies.

## INDEPENDENT RESEARCH

### Comparison Charts and Research Reports

The Independent Research provided by QIS Capital includes two sets of in-depth comparison charts. Our popular Oil & Gas Comparison Charts contrast 50 junior O&G producers, while our Industrial / Service Company Comparison Charts compare data from 50 companies across a broad range of industries. We also periodically highlight 2 or 3 companies of interest in the Independent Research section of the website with detailed 2-page research reports.

### Media Appearances

Doren Quinton often appears as a guest analyst on BNN.

## Online Portfolio with Trading Summary

QIS Capital hosts a genuine online portfolio in which we disclose and track our actual trades. A 2-page independent research report is prepared for each company purchased in this portfolio. Our debut portfolio, which was started in March 2003 and ended in December 2006, returned a total gain of 443%.

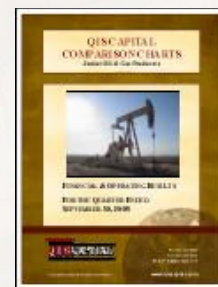

## Investor Forum and Educational Articles

Both new and experienced investors are encouraged to exchange ideas with one another in QIS Capital's forum. Also gain useful market insight through our collection of educational articles.

## QIS Email Updates

Investors have the option to sign-up for our periodic email updates, which provide recent corporate news from our Feature Companies\* as well as market commentary by QIS Capital.
