
Date: Aug 16/10
Company: Horizon BetaPro NG Bull ETF (HNU)
Buy/Sell: Buy
Price: 5.17
Industry: energy ETF
Shares o/s: 80.8 million
Reason: Hoping to ride a nat gas short squeeze.

Date: Aug 5-6/10
Company: easyhome (EH)
Buy/Sell: Sell
Price: 9.9829
Industry: rental and leasing
Shares o/s: 10.4 million
Reason: Profit taking on a 37% gain ahead of Q2 results.

Date: Aug 4/10
Company: Claymore Nat Gas Commod. (GAS)
Buy/Sell: Sell
Price: 3.25
Industry: energy ETF
Shares o/s: 59,450,000
Reason: I've learned recently that this ETF is not evaluated using Henry Hub/NYMEX pricing so it didn't participate significantly with the recent nat gas price rise. It's time to admit defeat and exit my position. I'll consider going bearish in the short term and utilize HND for this.

Date: Jul 16/10
Company: Everett Resources (EAR)
Buy/Sell: Sell
Price: 0.05
Industry: metal mining
Shares o/s: 41 million
Reason: Simply selling at the top of a channel on some strength.

Date: Jul 15/10
Company: Horizon BetaPro NG Bull ETF (HNU)
Buy/Sell: Sell
Price: 5.90
Industry: energy ETF
Shares o/s: 80.8 million
Reason: Bearish inventory levels reported Jul 8. Seasonally weak currently. Claymore nat gas etf made an all-time low Jul 8.

Date: Jul 13/10
Company: Copper Mountain Mining (CUM)

Date: Jun 24/10
Company: ILI Technologies (ILI)
Buy/Sell: Buy
Price: 0.055
Industry: oil and gas service
Shares o/s: 35.5 million
Reason: I'm implementing a trading method I've come up with. ILI suits the method.

Date: Jun 24/10
Company: Everett Resources (EAR)
Buy/Sell: Buy
Price: 0.045
Industry: metal mining
Shares o/s: 41 million
Reason: Accumulating at the bottom of a channel.

Date: Jun 14/10
Company: Horizon BetaPro NG Bull ETF (HNU)
Buy/Sell: Sell
Price: 7.46
Industry: energy ETF
Shares o/s: 80.8 million
Reason: Simply trading the volatility. I'm hoping the June 4th top of \$7.48 is not penetrated for a week.

Date: May 17/10
Company: Telus (T)
Buy/Sell: Buy
Price: 39.00
Industry: communications services
Shares o/s: 174.8 million
Reason: great technicals.

Date: Apr 29/10
Company: Horizon BetaPro NG Bull ETF (HNU)
Buy/Sell: Buy
Price: 5.24
Industry: energy ETF
Shares o/s: 53.5 million
Reason: I'm trying to buy at the bottom of a channel. Recently I've been hearing some analysts arguing that there may not be as much nat gas in storage as believed previously.

Date: Apr 28/10
Company: Horizon BetaPro NG Bull ETF (HNU)
Buy/Sell: Sell
Price: 6.33
Industry: energy ETF
Shares o/s: 53.5 million
Reason: I see a bullish flag forming which could keep a lid on HNU for another couple of months. In my real account I have a stop-buy at \$6.37 in case I'm wrong.

Date: Mar 26/10
Company: Horizon BetaPro NG Bull ETF (HNU)
Buy/Sell: Buy
Price: 5.51
Industry: energy ETF
Shares o/s: 53.5 million
Reason: Absolutely everyone hates nat gas. Maybe I'll hate it too but not until HNU and GAS rise above their 50 day moving averages.

Date: Mar 19/10
Company: Horizon BetaPro NG Bull ETF (HNU)
Buy/Sell: Buy
Price: 6.32
Industry: energy ETF
Shares o/s: 53.5 million
Reason: I have no idea what fundamental news is going to re-direct this ship but technically these levels have usually been a reliable place to be.

Date: Mar 8/10
Company: Horizon BetaPro NG Bull ETF (HNU)
Buy/Sell: Buy
Price: 7.60
Industry: energy ETF
Shares o/s: 53.5 million
Reason: Technically oversold. RSI = 30. The RSI on the Claymore nat gas ETF (GAS/TSX) is at 23.34!!!.

Date: Feb 23-26/10
Company: easyhome (EH)
Buy/Sell: Buy
Price: 7.00
Industry: rental and leasing
Shares o/s: 10.4 million
Reason: Purely a technical trade. The RSI is currently at 18. If this company isn't going out of business, this is a screaming buy.

Date: Feb 9/10
Company: Richelieu Hardware (RCH)
Buy/Sell: Buy
Price: 22.13
Industry: fabricated products
Shares o/s: 21.8 million
Reason: Company is doing well in a tough environment. Just increased its dividend. Incidentally, I have a friend who works for the company; I have no insider info however.

Date: Feb 4/10
Company: Copper Mountain Mining (CUM)
Buy/Sell: Buy
Price: 2.03
Industry: metal mining
Shares O/S: 77.3 million
Reason: I like copper this year. And Copper Mountain is amongst my favourites in the sector. Hoping to buy at the bottom of a channel.
