Date: Jan 7/10  
Company: Condor Resources (CN)  
Buy/Sell: Buy  
Price: 0.30  
Industry: mining expl  
Shares OS: 31.4 million  
Reason: end of the day announcement stock makes a huge leap upwards in last hour expect more over next few days as low number of shares may keep demand moving in upward direction after profits are taken upon opening If I am wrong ....I will have another opportunity to sell in a few months as further results are evaluated.
